

RESTROOMS

- 1 - Rework salad bar/serve area, including half-height walls for power from ceiling.
- 2 - New 8 1/2" dish drop area. Also add 2 Katch-All silver savers to prevent flatware from falling into trash cans.
- 3 - Remove existing double sided sneeze guards and install new single sided pass shelf.
- 4 - Remove wall behind existing table (Item #38) to allow more room behind grill area and also provide easy pass thru from kitchen.
- 5 - Remove Item 34, existing hot cabinet (is currently not working), reduce back wall 24" to open up walkway at dishroom.
